

Introducing the HPV Campaign Partner Meet & Share

July 2022

Dear HPV Campaign partners,

The International HPV Awareness Day (IHAD) Campaign is implemented by a network of 120+ operating partner organizations around the world. You all share the objective of raising awareness about HPV. In order to **spread good ideas and to help each other overcome common challenges**, IPVS will host two separate one-hour zoom meetings (to accommodate different time zones) every few months. The first **HPV Campaign Partner Meet & Share sessions** are scheduled for **Thursday, July 28th**.

Exchange ideas. Accelerate progress.

HPV CAMPAIGN PARTNER MEET & SHARE

**Thursday, July 28th:

HPV CAMPAIGN PARTNER MEET & SHARE

**Thursday, July 28th:
Session B @ 5-6 pm CEST**

REGISTER NOW

Host: Dr Joel Palefsky, IPVS Campaign Committee
10 min updates from:

- ❖ IPVS campaign news
- ❖ US: Vax2StopCancer
- ❖ Brazil: HPV Institute Sao Paulo

Last 30 min: open to discuss HPV awareness topics you want to share with other partners

Session A at 9am CEST is timed to accommodate campaign partners located in **Asia, Australia** and **Europe**. Show meeting time in my location. Click here to register for [Session A](#).

Session B at 5pm CEST is timed to accommodate campaign partners located in **Africa, North & South America** and (also) **Europe**. Click here to register for [Session B](#).

Partners can talk about local HPV advocacy and awareness activities that they think could be useful for other organizations to be aware. You are welcome to invite guests from other relevant local organizations to register to join the M&S sessions to become more familiar with the campaign and what partners are doing.

This initiative is new, and no doubt we will fine tune this concept along the way. However, we believe this dialogue can strengthen the partner network and increase the impact of the campaign as a whole. We hope you will join us! If you'd like to reserve a 10-minute slot to give an update at the next **Q4 2022 HPV Campaign Partner M&S session (Thursday Oct 27th)**, let us know at hpvday@kenes.com and we will schedule you in.
